Adults

Rhode Island Reds

Originated in the state of Rhode Island, they are one of the original breeds of poultry recognized in the U.S. They are used for both egg and meat production.

Salmon Faverolle

This breed is known as a dual purpose breed. They lay well and are big birds, sometimes used for meat. They were originally developed in France.

Silver Duckwing Old English Game

Developed in England, now mainly kept for exhibition, can come in many colour variations as well.
